

List of Minoh City Designated Evacuation Centers

This is a list of designated evacuation centers in Minoh City. Use this list to see which evacuation center you should go to based on your address. Your evacuation center is the elementary school in your school district. (The exceptions are Maple Hall instead of Kita Elementary School, and Dai Ni Junior High School instead of Kayano Kita Elementary School.)

Please try to go to your designated evacuation center if you need to evacuate, but it is okay if you go to one that is closer to where you are at the time. If the evacuation centers are open do not hesitate to go to one if you feel unsafe or nervous for any reason.

You do not have to wait for an evacuation advisory to be announced in order to go to an evacuation center.

When the City announces evacuation preparations (evacuation of elderly people and others) elderly people, people with disabilities, and those with young children etc., should evacuate immediately. Those who can follow standard evacuation procedures should begin to prepare for evacuation (and start to evacuate when an evacuation advisory is announced).
