Burnable Garbage: Try to only use the free bags and reduce your amount of garbage

- The City's Burnable Garbage Bags are **issued every year for free** according to the number of residents in a household. Those who moved to Minoh between Jan-Jun will receive an amount for until the end of Sep. this year, those who moved between Jul-Dec will receive an amount for until Sep. of the following year.
- At the **beginning of August** every year the City will send you an "exchange ticket" used to cover the amount of bags starting from October. You can exchange the ticket for burnable garbage bags at any Minoh City Garbage Bag Distributer.
- **You can buy more Burnable Garbage Bags if you run out of them.**
(sold by Minoh City Garbage Bag Distributors)
- Tie the bags shut with a cross shaped knot. Items that do not fit in the bags are oversized garbage.

Unburnable Garbage: Up to 2 bags per collection

- You have to buy the Minoh City Unburnable Garbage bags (sold by Garbage Bag Distributors)
- Tie the bags shut with a cross shaped knot. Items that do not fit in the bags are oversized garbage.

Dangerous garbage: It could cause a fire or explosion. Make sure to follow the right disposal method.

- Collection of lighters, dry batteries, thermometers containing mercury, fluorescent lights, gas cartridges, and spray cans is free of cost.
- Please put lights, dry batteries, and thermometers in a transparent bag; fluorescent lights in an empty box; gas cartridges and spray cans in a basket.

Oversized garbage: 1 item per collection.

Consider if you can use it again or fix it before you throw it away.

- You have to buy an Oversized Garbage Ticket (sold by Minoh City Garbage Bag Distributors)
- For items which their longest side is below 1.5m, 1 ticket is required; for 1.5m to 3m, 2 tickets.

PET bottles: To encourage recycling, collection is free of cost.

- Waste sorting of PET bottles is free. There is no need to use a bag, just put them in a basket.
- Remove the cap and label, and rinse with water. Caps and labels are burnable garbage.

Cans/bottles: To encourage recycling, collection is free of cost.

- Waste sorting of cans and bottles is free. There is no need to use a bag, just put them in a basket.
- Newspapers, magazines, cardboard, old clothes and cartons are collected by local associations and the "caravan collection" (collection at public City facilities). For information about your local association or caravan collection days, refer to the website or enquire to the Minoh City Office Waste Management Division (TEL 072-729-2371)
